Hi Rich,
I'll get you the cost estimate later on this afternoon. If you need the costs before then, please let me know and I'll have someone else get the info for you.
Thanks,

Subject: Dimock - TechLaw TDD update

Rich,
I wanted to give you an update on where we stand with the TDD.
We have used 322.6 hours (Week Ending 12/23 – 122.9 hrs) and (Week Ending 12/30 – 199.7 hrs) of the 735.0 hours allotted to the TDD. This gives us 412.4 hours left on the TDD. Additionally, I'm sure you know, but if sampling occurs and we activate our lab subcontracts we will also need an amendment to include those costs. I can provide the estimated costs if you need them.
Thanks,

Suddha Graves
